S.O.C.K.S.: The Skokie Organization to Clothe our Kids provides clothing, free of charge, to needy children ages five to fourteen.

S.O.C.K.S.
OUTREACH PROJECT

In conjunction with S.O.C.K.S., we invite our Religious Ed students to participate in our Outreach project to provide warm apparel to children in need. While mittens, hats, and gloves are very much appreciated there is a great need for children’s underwear and socks.

As we prepare to celebrate Thanksgiving and reflect on all for which we can be grateful, may we share our gratitude by reaching out to those who have less than we.

Donated items should be returned to St. Peter on or before December 9th.

Thank you for helping your child(ren) to be concerned for others.

At the Parent Meeting I spoke about the newly implemented Archdiocesan Religion Curriculum. In addition to major learning themes, the curriculum offers suggestions on the prayers students should know. Among the recommendations for **SECOND GRADE** are these prayers:

- Act of Sorrow or Contrition
- Prayers of the Mass

If your child is in Second Grade, please help your child learn these prayers. The Act of Sorrow can be found on page 239 of your child’s text. The best way for your child to learn the Mass prayers is through their participation at Mass.
